

July 16, 2014

The Ontario Good Roads Association wishes to thank the following companies for their commitment to Municipal DataWorks (MDW) by reaffirming their Authorized Service Provider (ASP) agreement.

[AMEC Earth and Environmental](#)

AMEC is one of the world's leading engineering, project management and consultancy companies.

[Dillon Consulting Limited](#)

Dillon is at the intersection of planning, management, engineering, and environmental science.

[Engineered Management Systems Inc.](#)

EMS is first and foremost a bridge inspection company but they also develop expert software systems that enable our clients to manage their inventory when the inspection process is complete.

[Hunter GIS](#)

Hunter GIS provides a series of gateways to Municipal DataWorks (MDW) data, enabling access through browser-based or desktop solutions.

[Stantec Consulting Ltd.](#)

Stantec Consulting is a professional consulting firm specializing in planning, engineering, architecture, interior design, landscape architecture, surveying, environmental sciences, project management, and project economics.

[The Greer Galloway Group Inc.](#)

The Greer Galloway Group of Engineers, Planners & Consultants is a professional multi-discipline team of Mechanical, Structural, Electrical, Environmental, Water and Geotechnical Engineers, Planners and Project Managers. They have multiple locations across Ontario.

Authorized Service Providers provide valuable consulting services and/or software integration with MDW making this OGRA Member Service more valuable to municipalities. For more information regarding these valuable partners please click [here](#).

Municipal DataWorks is a Member Service of the Ontario Good Roads Association.
